

## 2<sup>nd</sup> Southeast European Ichthyological Conference

### SEEIC 2022

#### First Announcement

**Dear Colleagues and Friends,**

We are pleased to announce that the Institute for Oceanography and Fisheries (IOF) from Split, Croatia, organize the **2<sup>nd</sup> Southeast European Ichthyological Conference (SEEIC 2022)**. The conference will be held from **October 12<sup>th</sup> to 15<sup>th</sup>, 2022 in Supetar (island of Brač), Croatia**. We are planning to have a good “old-fashioned” meeting in person, but given the Covid-19 circumstances at the time of Conference, if needed, we will enable a hybrid meeting combining on-site and online participation.

The scientific program will include sessions and symposia on *History of ichthyology*, *Taxonomy and Phylogeny*, *Biology and Ecology*, *Biodiversity and Conservation*, *Molecular biology* and *Fisheries and Aquaculture*. Participants are encouraged to make oral and/or poster presentations. The peer-reviewed full-text papers from the conference will be published in the journals **Acta Adriatica** (*marine ecosystems*) (<http://jadran.izor.hr/acta/>) and the **Croatian Journal of Fisheries** (*freshwater ecosystems*) (<https://ribarstvo.agr.hr>).

**Venue:**

**Waterman Svpetrvs Resort Supetar (island of Brač)**

We cordially invite You to save the date and join us in Supetar in October 2022.

With warm regards on behalf of the organizers,

**Prof. dr. sc. Jakov Dulčić**

**The President of the Organizing Committee**
